2. Evaluation Matrix

- a. *Number of centers run under the project*
- b. *Number of children catered to.*
- c. *Effective distribution of the funds among the three centers, run by the organization.*
- d. *Number of children performing above average.*
- e. *Involvement of the local community in the project in terms of raising local funds, participation in the general administration etc.*
- f. *Amount of SSA funds availed.*

3. End of Term Evaluation (by Steward and NGO)

4. Additional information/Comments

- a. *Owning of the land in the Valley is taking a longer time due to legal issues related to it.*
- b. *Finding the effective managers has been a challenge since the beginning of the project. It is very difficult to find a good manager who stays on a permanent basis or at least for longer period of time.*
