

Dear Sir

Greetings from my heart!!!

I am very happy to meet you and introduce you about our work in Kashmir and the other activities we undertake under the banner name of our organization "Borderless World Foundation".

Dear Sir, BWF's founders are working in Kashmir since 1997 and they registered BWF in the year 2002. BWF's core activity is to take care of girl children who lost their parents in violence. We are running 4 homes in Jammu & Kashmir where today 200+ girls are living together. Education, lodging, boarding, health care, mental health, sports, vocational training, higher studies, marriages etc, all these are taken care by the organization.

We all are living in the rental home all these years and this year we are planning to build home in Beerwha, Budgam where we are having our existing home.

We are looking support to build this home. We already purchased land and now we are looking support for construction cost.

I am attaching some documents for your study. Please feel free to write us back.
Thanking you for giving chance to introduce us.

With prayers

Adhik Kadam
Borderless World Foundation

	Performance area/Workshops	2019
2	Dining	
	Seating (For 64)	545
	Kitchen	216
3	Computer Room	145
4	Rooms (Total No. of rooms = 17)	4550
5	Toilets	684
6	Corridor / Library	4036
7	Plinth Area	3905
	Total	16700

- Beerwah is a tehasil of Budgam District of Jammu & Kashmir State where organization already purchased land for home.
- At present Beerwah Home is having 48 girls and we are looking for more admission in the next year.
- New home can adopt more children
- Approx more than 200 children can live in new home
- Also staff member approx 20 people can live in the premises
- Vocational Centre, Centre for Various Computer courses can be a part of the home in future.

- 16700 Sq Ft is a build up area to construct
- Basement, ground-first-second floor and last top are the basic structure of the plan.
- Construction plan is designed as per local culture, ground reality and environment friendly.
- Approx Rs 1000/sq ft is the cost of regular/basic but strong construction which may differ as per the delays.

Where are we now?

- We buy the land approx 11000 sq ft
- Land is in the name of Borderless World Foundation which is registered in Jammu & Kashmir state under various departments.
- Plan is already submitted to local authorities.
- Organization is already collected Approx 72 lacs for the construction.
- Organization is still waiting for more funds approx 95 lacs.

- Project cost is 1.97 corer.
- Construction cost is 1.67 lacs
- Collected funds 72 lacs
- Land cost is 30 lacs, (already purchased)

What We Need...

- More partners to help us to build home.

More Details

- In Kashmir only 6-7 months are appropriate for any construction
- All (basement-top) floors need to complete with covering Tin Sheets/roof on top before winter arises.
- Interior can wait for some more months if funds are not available at the time.
- At least 65% amount need to be in hand to start the construction and build basic structure from bottom to top.
- Construction can start from mid April 2016.

What if BWF not able to collect 65% amount for the construction.

If BWF is not able to raise full donations, then till we able to raise 65% project cost, we will save the money in bank and we will approach more donors option to fulfill the task.

Architect Mr Sameep from Mumbai is helping with all construction plans and technical support & available till the complication of this project.

We
Have
Hope....
