Kind Attention **Mr. Mathew Joseph**

Dear Mr. Mathew,

We express our sincere gratitude to your goodself and All ASHA volunteers for the kind concern you have been extending all these years to Ashraya daughters and the cause we are on. We are also extremely thankful to Asha for deputing volunteers to visit Ashraya regularly, without break, to observe & share some good moments with our Challenged but fortunate daughters.

As discussed with your goodself we are pleased to attach the Budgetary requirement of Ashraya for your kind reference.

As conveyed to you, ours is an ongoing Residential Rehabilitation Programme for Mentally & Physically Challenged Girl Children which commenced in the year 2000 and is continuing.

Project ASHRAYA could live up to the expectations it was created for and as of date could bring 5 of its Challenged daughters to Graduation level and also major Behaviour Modification was achieved in our Mentally Retarded children.

We are pleased to furnish our Budgetary Breakup of Expenses and would be extremely thankful if ASHA could support the extend possible.

With lots of love & regards
