- Conducted by HIMWATS (Himalaya Water Service Tatha Vikas Avam Paryavaran Sanrakshan Samiti)
- Annual health camp school children
- Distribution of health supplements

Dress and medicine distribution  
*(parents in background)*

# Summary

- Savidya is taking education to rural areas in Uttarakhand in cooperation with the government
- The approach is to augment resources provided by the government
- Starting with the adoption of 1 primary school, Savidya now supports a total of 7 schools (primary and secondary) with approximately 500 students
- Savidya also strives for community involvement in local schools. This year, the emphasis is on enabling the parent-teacher committee to improve functioning of the schools
