

ASHA FOR EDUCATION VISIT TO SURYA

BY – PADMANAVA SEN
(6TH FEB 2026)

OVERVIEW

- February 2nd, I met the MSS and MEE /Surya coordinators along with Sankar in Mukti office to plan the trip
 - In my 3 day trip (6-8th February) to Mukti projects, I visited Surya on the 1st day i.e. Friday
 - I talked to the tally students and the members who got medical training
 - I met the Principal of Raidighi college and visited the college later that day
 - I met some of the trained members and Surya coordinators again during Mukti event in Kolkata
-

DISCUSSION POINTS

- The students mentioned why they are learning computer and tally. Different students have different expectations and most of them are still studying
- The Principal mentioned the challenges of getting students into classes
- The members who received medical training explained how it helped them and I talked to Doctor and other members training them
