

## Proposal for Vocational Training Center

To organize vocational training on **Sewing, Beauty Parlor & Driving** for Rural women

### Objective:

Enhancing Employability through Vocational and Skill Development Training among Women, Adolescent Girls, and Youth members in Rural Villages.

### Goal:

To Make underprivileged youth capable for employability by providing vocational training in **Sewing, Beauty Parlor & Driving** course.

### Mission:

To promote inclusive growth through vocational skill development for sustainable livelihood and empower underprivileged women

### Objectives:

To provide vocational skill training in **Sewing, Beauty Parlor & Driving** and promote employment opportunities for youth.

### Description:

Youth from rural and interior area do not get many opportunities for employment in their respective villages, as there is no availability of proper transportation so they cannot connect to urban areas where they can get vocational training and skill building. There are many girls and women in who are willing to attend computer education, to get opportunities for employment, skill development. This indeed will help them to learn new skills and have sustainable income generate opportunities.

**Approach:**

- There will be 3 batches of each **Sewing, Beauty Parlor & Driving** during duration of a year in one centre.
- Every batch of vocational training will include 20- 25 women/men members
- Pamphlet will be distributed and community awareness program will be conducted through grassroots functionaries.
- Each vocational classes will run for 3 months except driving training.
- Material for every vocation classes will be provided by GVT

**Deliverables:**

- All the logistic arrangement and place would be finalized for vocational training.
- Vocational trainers will be finalized before 15 days of vocational training.
- Material for vocational classes will be arranged before 5 days of training.
- Communication will be shared to all concern including village leaders.
- Prepare list of trainees before starting of classes

**Expected outcome:**

Vocational training in **Sewing, Beauty Parlor & Driving** training approx. 300 youth every year. There is only recurring cost and no capital expenditure.

**Project Team & Person:**

- Mr. Ramesh Kasondra & Vineta Fernandes will be core responsible person.
- The Project beneficiaries of the respective village will volunteer in this vocational training.
- GVT other project staff will support in the vocational training.
- We will take support from other village leader as a volunteer at the training center.

**Budget:**

**Rs. 8,99,800/- in USA \$ 13040**
