This year Nandlal also went to USA and presented his work not only in Asha conference but also to chapters like Austin, Boston, Atlanta, Chicago.

The previous cycle was August 2018 to July 2019. The new cycle will end with March 2020 (syncing with financial cycle).

The plan is to send funds for 8 months (August 2019- March 2020)

An increment of the monthly honorarium is proposed (including incidental travel expenses) to make it 30750 INR per month (29750 last year + 3% for inflation).

The total budget becomes

INR 2,55,000 (August 2019 to March 2020)

=8 x 30750 plus ~3.5 % overhead of Asha Trust (FCRA account)
