

**Asha Scholarship 2020-21**  
**Report dated 4th Dec 2020**

For the academic year 2020-21, we planned to support 97 students. Due to Covid, all educational institutions have been closed from March 2020. Hence, we have been trying to keep in touch with the students over phone. In May 2020 we distributed the last installment due for the year 2019-20.

Government has been issuing various guidelines regarding fees that can be collected by educational institutions. Hence students started paying fees from Sep 2020 (as against normal practice of paying fees in June). We advised students to send fees related documents by mail to Asha Office, as and when they pay fees. So far 62 students have submitted documents and we have disbursed first installment of scholarship to these students, for the year 2020-21, as per details given below:

Class	Number of students budgeted	Students received first installment
Class 1 to 10	29	15
Classes 11 & 12	17	9
College	51	38
Total	97	62
