

# Asha Scholarships – Proposal for 2020-21

## **BACKGROUND**

Asha Chennai scholarships is the oldest project of Asha Chennai. We have been executing the project from 2002-03. It has continued uninterrupted till now. The intention of the project is to support children who are at risk of disruption to their education because of economic hardship. For school children we do not look at their performance as a criteria for selection as education is a universal right for all children.

Here are some details about the scholarship students from 2019-20.
