

# Project Why presentation 2023-24 By- Amol Agarwal

Creating spaces  
to dream, learn  
and transform

PROJECT  
WHY

Creating spaces  
to dream, learn  
and transform

# Our journey

The Sri Ram Goburdhun Charitable Trust addressed the "*WHY's*" of the community under its flagship program Project WHY.

We began in 2000 with just 40 students wanting to learn spoken English. Till before the lockdown, we reached 1100 underprivileged children per year. We trained 2000 women and created 50 job opportunities for people from the community.

# OUR CENTRES

- Giri Nagar in 2000
- Okhla in 2004
- Govindpuri 2005
- Khader 2007
- Yamuna 2015

# Achievements in 2022-23

- 1200 Students have been educated in academics, computer and women empowerment program.
- 30% Students won medals and certificates in different fields.
- 10% Students admitted in universities for higher education.
- Children engaged themselves in environmental friendly activities by planting flowers & cleaning the neighborhood.

# Our approach

- We educate: We believe in quality education, both academics and life skills.
- We employ : We employ resource persons from the community as they understand the community better.
- We empower : We empower the women to be financially independent.

# Project WHY during the year 2022-23

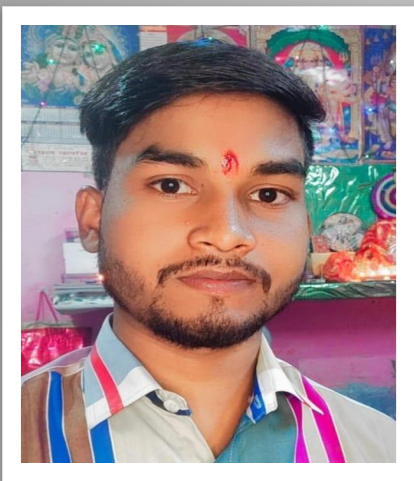

1. Organized workshop on sexuality by Modicare Foundation
2. Career Counselling session by Vahani Foundation
3. Outing at Pratapgarh farm for entire staff
4. Outing at Rail Museum, Craft museum, Red Fort, Humayun's Tomb, Garden of Five Senses and Walled Garden
5. Organised Summer camp
6. Organised farewell for class 12 in Okhla centre

# Activities during the year 2022-23

- Craft activity with Fevicryl Foundation
- Workshop on Creative Writing by eminent writer Dipika Mukherjee.
- Watched educational & motivational movies
- Regular reading of newspaper in class to improve reading skills.
- Opened coaching classes to prepare entrance exams for government jobs for alumni and community.
- Opened Spoken English and personality development classes for alumni and community.

# SUCCESS STORY

Pankaj is a student of our organization in Okhla Centre. He joined us when he was in 10th standard. With his hard work and teacher's help he scored 82% in 12th standard examination from C.B.S.E board. He is one of our brilliant students. He is very keen towards his studies, he gave CEUT exam for regular college and cleared it in his first attempt and got admission in a reputed college. He is doing B.A. History (Hons.) He is very thankful to Project WHY for funding his College fee as he belongs to economically weak community.

Now he is dreaming to become an IAS Officer and serve to the nation.

# CENTRE PROGRESS 2022-2023

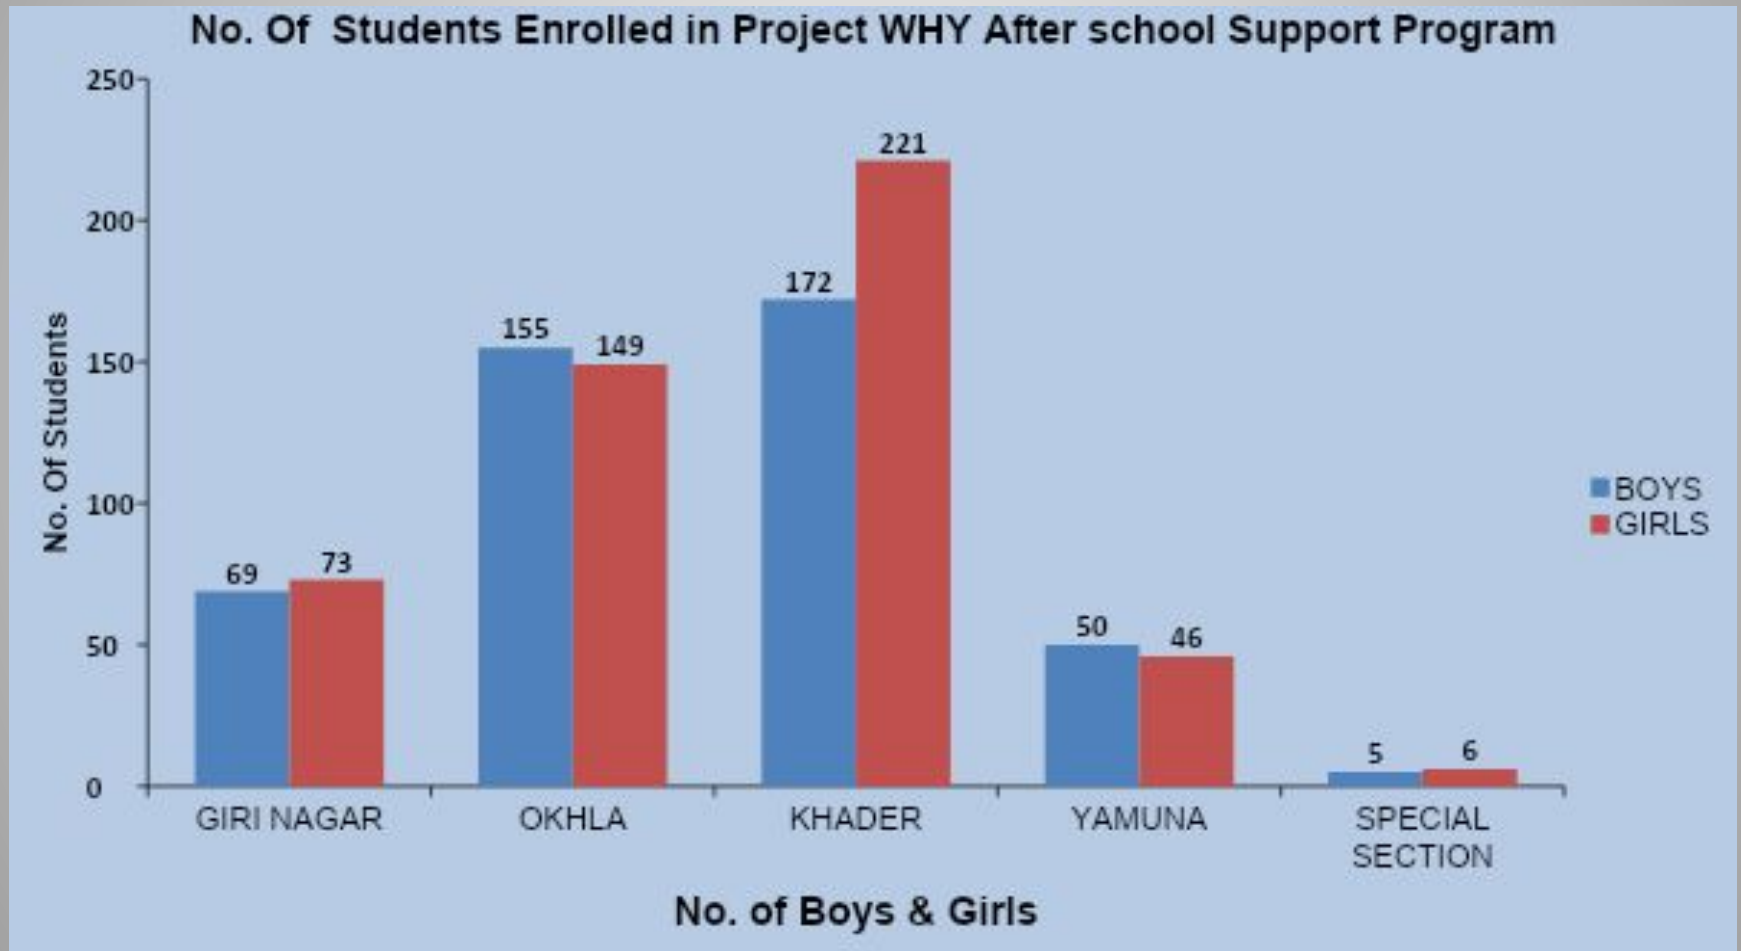

- Hired English teacher for senior secondary class
- 40% students motivated to participate in different competition in their school
- 30 students won medals, certificates and prizes in competition and also being selected for participating at zonal level
- 5 students sat for the CUET- entrance exams for universities and 1 got selected
- 50% parents involved in PTM after making them aware of their role in the education of their children

# OVERALL PROGRESS 2022-2023

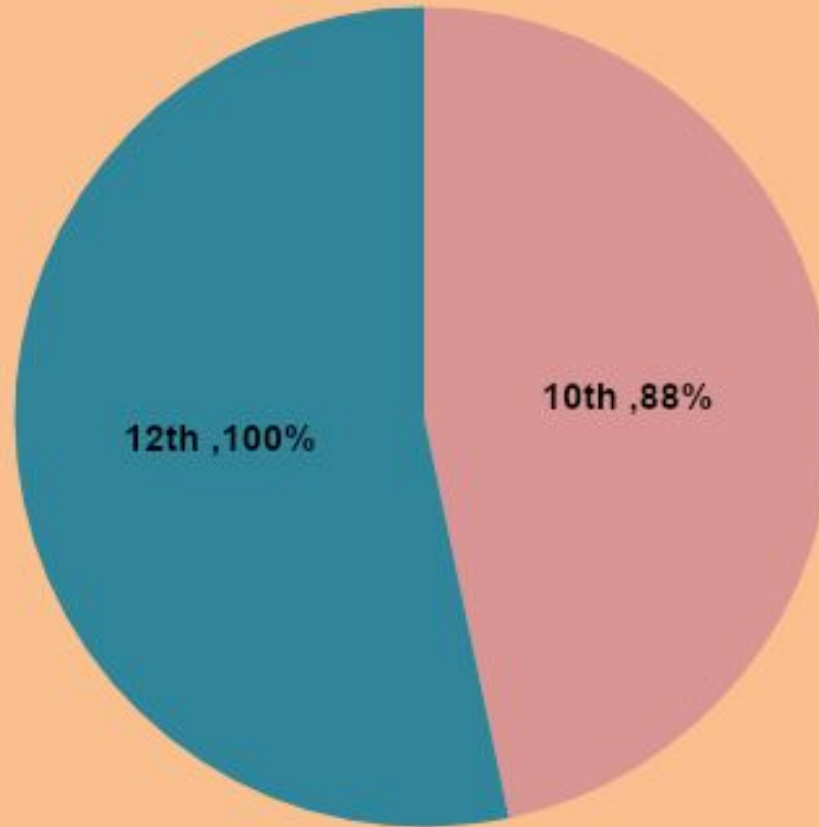

- The Vahani Foundation visited our centres and explained their program in which they sponsor college education for children getting above 80%
- We Organized a series of workshops aimed at giving teachers new tools to deal with new challenges faced post the pandemic with Dr. Neena Gulabani
- A new stitching unit for ladies opened in Govindpuri on May 2022
- 22 women completed 6 months stitching course and were given certificates.

# PROGRESS IN 2022-2023

# PROGRESS IN 2022-2023
