Current News

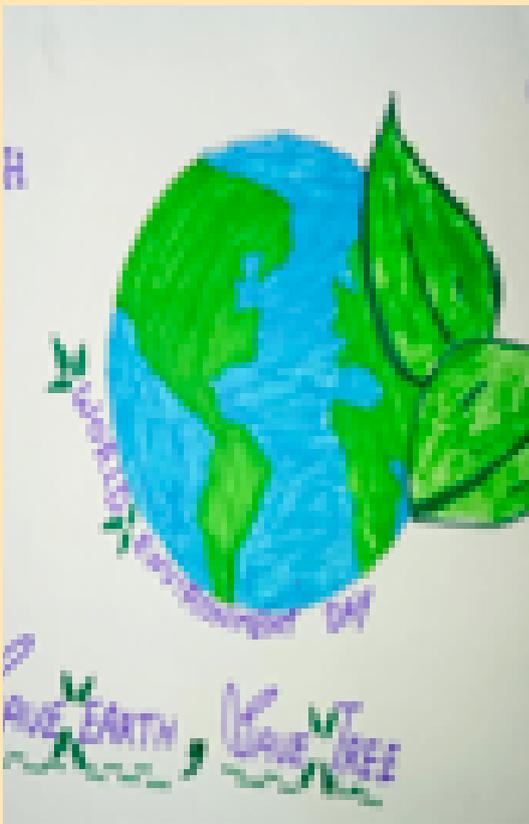

Currently, due to the pandemic, all are classes are taking place online.

Teachers are coming to the centres but students are taking classes from their homes. It is a struggle but our teachers are doing a wonderful job and are really motivated.

World environment Day

Our environment is one of the most important aspects to survive on this planet. Moreover, it is the only thing that can make life sustainable. For instance, our skin will burn, the lungs will get ruptured, and our blood pressure would rise if the planet warms up!

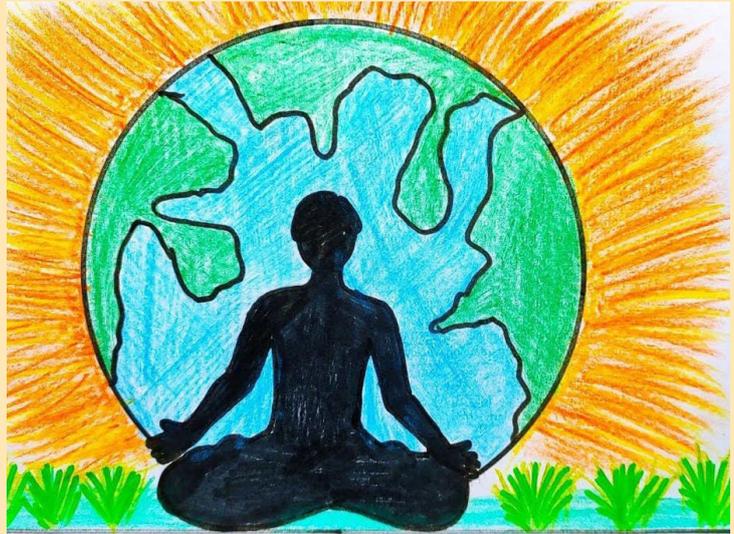

World Environment on 5th June every year. Furthermore, this day is celebrated by the United Nations Environment Programme (UNEP). Since the year 1973. Above all the main purpose of celebrating this day was to spread awareness. The awareness was about the conservation of our environment..

We celebrate the WORLD ENVIRONMENT DAY by telling our students the importance and how we can conserve our resources. We also encourage them to draw and write a short note on the importance of the day. They also encouraged to plant trees in their homes!

World Yoga Day

Yoga Day is celebrated on 21st June, 2016 every year. This day was internationally recognized by the United Nations General Assembly (UNGA) on December 11, 2014. The idea of an international yoga day was proposed by our Prime Minister, Mr. Narendra Modi on September 27, 2014. Mr. Modi proposed the date to be June 21 and mentioned that this is the longest day of the year in the northern hemisphere and has special significance in many parts of the world. And the first International yoga day was celebrated on June 21, 2015. On this day, our students performed yoga at their home and also told their families about the importance of yoga. They made some beautiful drawings, posters and charts and send to their respective teachers. .

Online activities

As all the children are studying from home , we try and make them do fun activities such as drawing, finger painting,. Our teachers also tell the children how to be safe in this pandemic time.

Special Section Door to Door Teaching

Unfortunately, the students with special needs were not able to attend the online classes. Our teachers managed to talk to the parents and go to a few children's homes to make them do activities. This is really working well and the children and parents are happy about the progress.

Child of the month: Mhd Kaif

We are very excited to share with you news about a Project-why student, Mhd Kaif, who won the open school sports state champion 2021, held in Rajasthan. Mhd Kaif has been a student of the Project-why, Okhla centre for ten years, from grade 1 to grade 10. Kaif is a student in the arts stream, he regularly participates and helps the students in the 'Project-why national festival program'. Kaif is a budding athlete who has won many elite competitions. Significant amongst them including winning the gold medal in the zonal and inter-zone races from South Delhi in the 3 km and 1.5 km categories. He aspires to become a professional runner and represent India someday. Unfortunately, Kaif is from a lower-middle-class family and cannot afford to buy proper running shoes and the necessary equipment needed to pursue his talent. His dad works in building maintenance, but he is not working regularly and his mother is a housewife. His parents work to support him and his six brothers and sisters. Kaif puts in his 100 per cent into any work that he does. He is committed, hardworking and continually works toward his dream of representing India internationally. All of us here at Project-why are very very proud of him and continue to encourage him in achieving his dreams.

Your continued help and support to Project-Why goes a long way in helping students like Kaif fulfil his dreams.

Musical event by Ranjan

On June 20th, Ranjan Bakshi did an other virtual musical fundraiser event for Project WHY where he played music of the 50s and 60s on the piano. This event was viewed online by over 800 people. We want to thank him for his support towards Project WHY.

MUSIC OF THE 50S AND 60S

PLAYED ON THE PIANO BY
RANJAN

A fundraiser for the underprivileged children of
Project WHY. We depend on your support
