

REPORT OF THE PREP CLASS

April to June 2009

Location: Gali No 3

Govindpuri

New Delhi 110019

Costs	Activities	Volunteer
April		
Staff honorariu: Vinita: Rs 4000/- (ch no: 649573)	Lots of kids have gone to the village due to that there are very few kids that is why we are not doing lots of activities but we are still following the time table. We are teaching the kids to colour in a given patterns and they also did leaf painting. We try to make the kids observe more to develop their imagination. On 22-4-09, a group of young volunteers took the children out to McDonalds.	Marla
May		
	There is a new batch and in this new batch there are kids here only for 2	Pramila

<p>Staff honorarium: Vinita: Rs 4000/- (ch no:6493828)</p>	<p>months.</p> <p>We make the kids do writing skills and physical exercises for an hour each.</p> <p>Lots of kids who have come from the village do not know how to speak Hindi so we are teaching them the language this is why we do conversation so that they talk to each other and improve their Hindi.</p> <p>We showed them how to make a frog out of paper and had a competition in which only Ajay was able to re do it. We showed the kids Tom and Jerry an Jai Ganesh cartoon at the library but they preferred Tom and Jerry.</p> <p>Lots of kids are dirty because there is no water at heir home so we make them take a bath in school.</p>	
<p>June</p>		
<p>Rent: rs 8000/- (ch no: 649620)</p> <p>Staff honorarium: Vinita: Rs4000/- (ch no649734:)</p>	<p>In prep, we took test of the kids in which some were good but some did not manage to do well so that is why we focused more on oral work twice a week so that they can recognise the words properly without mistakes.</p> <p>To make them to colour recognition we made the kids cut out shapes from glazed paper and made them stick it on a plain paper so we made a greeting card.</p> <p>Every Saturday we make the kids do high jumping on the trampoline which they enjoy a lot.</p>	

	<p>We did recognition of animals but the children were only able to recognise 6 of them and not the rest. Then we told them about the animals and where they live, what they eat and what sound does it make.</p> <p>Due to the heat lots of kids are having boils on their face due to which they are not being able to focus in class as it is paining them a lot.</p>
