| <b>October</b>   |   |           |
| Vinita and Seema | <p><b>Prep:</b> This month we made the children do more writing work and took test 2 times in the month, the children who are weak, we are focussing more on them. We showed them 2 cartoon movies.</p> <p>This month was Dussera so we made the children draw the story of Dussera and made them colour it. With clay, the children made very nice shapes and forms. In drawing we made the children colour in the rainbow.</p> <p>We taught them dance on a new song.</p> <p>We divided the children in 3 groups and told them to make anything out of waste paper, the children did not manage to make proper things but we gave all the kids lollypops for trying well.</p> |           |
| <b>November</b>  |   |           |
| Vinita and Seema | <p>Prep: This month, we have been following the timetable and have been focusing more on the weaker children.</p> <p>After taking a hygiene class, children are coming in dressed properly. Now the children also keep the class clean.</p> <p>Some children forget what they learnt in the beginning so we have to do a complete revision with them.</p> <p>In drawing, we made the children do shape drawing where they would learn how to draw within a given shape. We made the children learn about apple and made them write a small essay on the fruit.</p>  |           |

| <b>December</b>  |   |                        |
| Vinita and Seema | <p>Prep: This month, due to the cold, we make the do lots of exercises so that they feel warm.</p> <p>We are focusing more on making them do fill in the blanks and to fill empty blocks so that they recognize words.</p> <p>After doing this exercise the children improved but if they take a short break from school they forget everything.</p> <p>In drawing, we made the children do decorations for the Christmas tree and they put it on themselves after that.</p> <p>The children also helped us in decorating the class and had lots of fun on the 25th. For new year the children were making greeting cards that they gave to each other.</p> | <b>Rhea and Ankita</b> |
