INDEPENDENCE DAY

On Independence Day flag hoisting was done by Thiru.R.Altrin Inspector of police, Muthapudupet. On that day itself science exhibition inauguration was held at 10.00am. Welcome address was given by Thiru

R.N.Muthuram, founder trustee Suyam Charitable Trust. Various

cultural programmes were performed by our children. As part of

Suyam empowerment program we have handed over 15 Nos. of

Auto rikshwas to parents of Siragu School children by

Thiru.Vishwanath Shegaonkar, I.A.S principal secretary to Govt. Adi Dravidar & Tribal Welfare

Department. Special address by Thiru.Chandrakant

B.Kamble, I.A.S, Managing director TAHDCO and Raksha Bhandan

celebration initiated by Thiru.R.R.Gopaljee Director, Dinnamalar

and finally Thanking note was given by Dr.V.Uma.

**MEDICAL CAMP:**

In the month of October two day's medical camp was conducted on 7th and 14th of October. The Nungambakkam child Trust came and Medically examined our children. In that, more than 200 kids benefited from Siragu Home as well as Sastri Nagar community. In that 20 children were advised by the doctor to take further treatment. The

children were are sent to the child trust for further treatment.

THAMARAI PAKKAM DAM:

In order to provide the basic information on Water. We conducted **One day Picnic** On Dec 11th of 2010, 140 students from Siragu home and 20 staff members went to Thamarai pakkam dam and gained first hand information and also enjoyed a lot through this visit.

MODEL AND CLAY WORK:

The Siragu students have a special talent in clay work. They have a creative imagination. Students make many shapes of living and non living things and

they paint it with the poster colours. It develops their imaginative power and the skill in painting.

GREEN CHAMPION IN THULI'10

The Water Harvesting system was made and demonstrated by K.Sarath Kumar of VI std. at Bhumi Trust on July 18th 2010 in which about 42 schools participated. He demonstrated how rain water can be harvested from the tank. And for that he won the Green Science Trophy.

TEACHERS DAY :

For Teachers Day, the teachers of Siragu went to Medimix garden where plants of the ingredients of medimix Soap are grown. It was very useful to them to explain about the same to the Students. They also went to the Surutapalli kondeshwarer temple.

**NATURE VISIT:**

The students and Staff of Siragu have been taken to different places outside the school. They were related to the lessons and they briefly explained about those things in classroom and they were given detailed explanation during these visits. When they go for nature visit. Through this students understand the concepts very clearly as they see it practically. Like this they have visited library at palavedu, post office in pannur, computer centre at Melapedu, Railway station and to the temple nearby to know about the different types of plants which they study in biology.

**PROCESS MANAGEMENT THROUGH TANGRAM:**

Developing models with the help of chart, clay into different shapes. The students will finish the

tangram within the time given to them.

There are two levels basic level and high level. Students of basic level, they prepare shapes and designs. High level students make models according to their Imagination like human activities and animals. This develop the imagination of the students.

**SILAMBU TRAINING:**

Silambu training is given to the students of Siragu of totally 50 students including both boys and girls. They are given Silambu training every Sunday. Through this students get more Physical exercises.

AGNIHOTRA

For the welfare of our nation, and to protect our nature, our hostel children do Agnihotra poojas daily during sunrise in the morning and sunset time in the evening since the year 2007.

KOLU:

Kolu (doll Show) was kept in the month of September. It was kept for 9 days. In that 5 steps of dolls were displayed. Different types of dolls were arranged there. All the Students of Siragu prepared projects and story based on this kolu. Their project also kept in the Kolu. On the 10th Day Vijayadasami was celebrated

Our 100 students are learning Karate in our Siragu School. Students attended following tournament and won lot of Medals and awards

RELEASE OF MORAL SCIENCE BOOK BY COSMOPOLITAN CLUB

On 23.12.2010 from Siragu two students went for Cosmopolitan Club for the release of a book on Moral Science. Totally Eight schools were invited for that and in that our Siragu is one. Games were conducted for the students and Magic show was conducted. Gifts and prizes were given to the students.

CHRISTMAS CELEBRATION IN G.R.T HOTEL:

On 23.12.2010 our students were invited to GRT for celebrating Christmas. Totally 42 students and 4 teachers went there. There Games and competitions were conducted for the children. It was a good chance to the students to show their talents. They gave gifts to all the children.

HINDI PRACHAR SABHA EXAMS :

From 2009 children started writing Hindi Exams conducted by Hindi Prachar Sabha. This is a Govt. Exam and the Certificate issued is Government recognized. Parichaya, Prathmic, Madhyama and Rashtrabasha are written by the students. Total number of students appeared for this exam in 2010 is 116. In this 44 students have secured good marks in Parichaya, 27 students have secured good marks in Prathmic and 13 have secured good marks in Madhyama. Now freshly 32 students are going to write Parichaya Exams. This exam is conducted in once in 6 months.

MAHABALIPURAM ONE DAY EDUCATIONAL TOUR :

On 19.12.2010 students IV std. to VIII Std. of Siragu

went to Mahabalipuram, to know about the old sculptures, Inscriptions. To know about the rulings of Pallavas. The places visited were Dhakshinchitra,

Tiger cave, Pancha Pandava Radhas, Otrai kal Radham, butter

ball.

Pallavas were one of the firsts to have built

temples with rocks. The students were made to write about what they understood from the visit to Mahabalipuram.

CULTURALS IN SPI TECHNOLOGIES

On 17.12.2010 children went to SPI Technologies.

They explained to the stu-

dents about their system, Data processor, Video conference and the books they print for the college

students. Our Students were made to interact with the staffs of SPI. Students performed various cultural pro-

grammes like dance, song, mime, villu

pattu. Santa-

claws gave

many gifts to

the children.

BHUMI TRUST:

Siragugal'10 was an one day fete on 11th July 2010

having an array of competitive activities to ensure that every child finds an event he/she can compete in. The arts and cultural competitions was structured for various age groups to facilitate complete participation. Siragugal will

be peppered with enough entertainment and fun events to keep the children busy while they're not busy competing. The list of events include portrait painting, flower arrangement, elocution, debate, poetry, essay writing, pot painting, singing, dancing, etc where the children competed with their peers for the prizes. Such identified talent will be nurtured through constant support from our initiatives like Joy to the World and specialised individual support for those children.

Siragugal'09 was a one day art, cultural and science fest. 1600 children from 36 orphanages in Chennai, Kancheepuram and Thiruvallur Districts participated.

Our Siragu Children won most of the prizes and EVER GREEN EVERROLLING TROPY of Siragugal 2010 from Other 35 organization and 1600 children

At the end of the day, special surprise shields were given to the organization which bagged maximum number of prizes and for active participation. Both the Prizes were won by Our Siragu Montessori School (Unit of Suyam Charitable Trust)

PRESENTATION TRAINING:

Presentation training was given to our students by Arun and Ajith who came from Indore university. They gave

training for presentation on different topic. It made the students to come out with ideas .

DESIGN FOR CHANGE

Design for Change is a global movement designed to give young people an opportunity to express their own ideas for a better world and put them into action. Children and adults alike discover through the Design for Change Challenge that "I Can" are the two most powerful words a person can believe. Children who have discovered this are changing their world.

The contest asked our students to do three very simple things: Feel, Imagine, and Do. What the contest made visible was that this framework inspired children across the world to say "I Can!"

Our Children of 8th standard designed and implemented projects that really touched the heart of whole world. Children did with brilliant ideas. In our Siragu Campus on the topic "Solution for the worldly problem at Six level" Our children solved the problems within themselves (what is 'I' am? What I really want to be?), body (Healthy food, Healthy habits) Family (Our entire School is our family, given tips for How to save water) Society (By the use of bio gas we can reduce 2 gas cylinders in a week for Society), Nature and existence (By doing Agnigotra in the morning and evening, use of waste water Management, by doing organic farming)

COMPUTRE LAB

We have well equipped computer lab. There are 12 computers. Our

children are given theoretical and Practical Knowledge of computers from first standard.

Our 110 students attended Cyber Olympiad

Exam. 4 of our students came under the first 500 rank holders at All India Level.

SCIENCE EXHIBITION

Science Transforms the World and modifies attitudes and lifestyles of humanity. Keeping this in view we evolved a methodology for easy learning, even the difficult

concepts through Siragu way.

We have developed bigger Science Exhibition in a real novel way.

Thousands of scientists are portrayed with their photos, their

contribution to the universe, the way they changed our lives,

are beautifully displayed to make

younger generation to realize their

value to all the students of Chennai

and

Tiruvallur

Districts. All the children of various

schools enjoyed the show. We received

accolades

for this

initiative.

COMMUNITY DEVELOPMENT BY SIRAGU CHILDREN

The students of Siragu in their free time, cleaned the surroundings and public places. They collected and segregated

the plastics and papers for disposal. We are developing vermin compost as part of the eco recycling.

SIRAGU STUDENTS' INTERACTION WITH STUDENTS OF INTERNATIONAL SCHOOLS:

IT WAS VERY MUCH INFORMATIVE, ENERGIZING AND INTERESTING TRIP

We were Given warm welcome and they showed their concern over Siragu children, their love and affection, interest to know about us, openly shared with our children about their school activities, loving promises to support Siragu's knowledge requirements are amazing and appreciative.

Siragu students Jayavel, Dasaradhan, Priyadarshini were anxious to see the school, the methods of teaching, school's lab facilities, behavior attitude of students

and teachers over there. The moment they enter into the school and the moment they left school, the green memories are given as an enchanting eternal experience.

3 children named above are going to write IGCSE exam (O level exam) for which we arranged this one day trip to Lalaji school. Our students had a very good interaction with 5 students studying 9th grade of LMOI School, out of which, three

from France, 1 from Khazhakistan & 1 from India. The school has students from 16 countries of the World.

Received greeting card from students of LMOIS & Siragu children in turn prepared spot greeting card with a fallen flower from the sand and made it look very decorative, attractive and gifted to those students.

12 Students in 6th grade & 7th grade and 4 students of Siragu divided into 4 groups and conducted drawing n poem session, it was fulfilled, creative and enjoyable. Topics taken was "Friendship" and each group come up with different poem and different art

work which depicts the strength of Friendship.

IMPACT

Able to see the real practice of an International School

- Our children got a great opportunity to interact with Lalaji School
- Able to interact with students from different countries

Clarified some of doubts arisen towards approaching IGCSE exam (O level)

- Collected required details about books to be bought for preparation

The school given their loving promises to support Siragu students in whatever way they can and maximize opportunities to open up positive interactions in future

At the outset, on behalf of children

of Siragu Montessori School, the teaching staff, the management we conveyed our whole hearted gratitude to one and all in Lalaji Memorial Omega International School. We salute them for their timely support.

Dyslexia—Training Course

Our Staff attended Dyslexia training course from Kids learning center(A unit of Kingdom Trust)

- To be able to identify children with learning difficulties in a normal class room.
- To be able to understand the overall difficulties experienced by the child
- To be able to use different teaching methods to help the child to overcome academic
- To help the parents to accept their conditions and move in the positive direction.

KARUNA CLUB INAGURATION

Our **Siragu Montessori School** conducted the inauguration of the **Karuna Club** for the academic year 2010 – 2011.

The programme commenced with the Karuna Prayer and Karuna pledge and Siragu delivered the welcome address.

Our Chief Guest was **Mr.Suresh Kankariya General Secretary**, Karuna International. He advised the students to respect all animals and human beings. He pointed out that animals do not have superstition, ego and enmity. Karuna, the emotion is most important to every human beings. **Mr.M.C.Appandai Raj Educational officer**, Karuna international, delivered a talk on animal welfare and prevention of cruelty to animals. He said animals also have souls and are created on earth just as human beings. He also mentioned some products manufactured by causing enormous cruelties to animals. Our school displayed certain charts based on the topics like vegetarianism, prevention of cruelties to animals, animals welfare etc. **Miss.Swapna of Karuna international** and **Miss Rekha of Karuna international** also talked about karuna.

Finally Siragu Karuna Club coordinator **Mrs.D.Kuppabai of Siragu Montessori School** delivered vote of thanks with the National Anthem the programme came to an end.

62 students from various schools attended the programme.

Schools:

1. Siragu Montessori School
2. Kendriya Vidyalaya – Air force, Avadi
3. St.Mary's School – Air Force, Avadi
4. Govt. School – Palavedu, Avadi.

IGCSE EXAM IN CAMBRIDGE UNIVERSITY

Our 3 Students of X standard attended IGCSE International Exam of Cambridge University.

The **International General Certificate of Secondary Education** (abbreviated IGCSE or iGCSE) is an internationally recognized certification for school students, typically in the 14–16 age group. It is similar to the **GCSE** in England, Wales and Northern Ireland, **Standard Grade** in Scotland or **Junior Certificate** in the **Republic of Ireland**. The **Cambridge IGCSE** was developed by **University of Cambridge International Examinations** (CIE) in 1988. The examination board **Edexcel** offers its own version, the **Edexcel IGCSE**.

TWO SWARAJ MAZDHA

A new Swaraj Mazda has been added in this year to the existing one. These two vans Makes our school trip

easy from Karalapakkam, Mutharputhupettai, Pakkam, Alathur, Palavedu, Puliur Panchayat and sastrinagar village.

MATHEMATICS LAB WORKSHOP

Our Mathematics teachers attended Mathematics Lab Workshop The workshop will be an interactive one, where teachers will sit in groups of four and have hands on experience with **Apothem Math Learning Instruments**. The topics will not be class wise but all experiments that can be done with one Learn-

ing Instrument will be fully covered. Wherever necessary, reinforcement got through power point. Coordinators helped for clearing doubts. Now we are following this,

with materials

MUSIC Training

Siragu Home children are learning karnatic music and folk songs on Saturday and Sunday . They

have taken part in School and Interschool competition have bagged prizes. Sound becomes soulful music, when handled by trained one, makes it. On Saturdays and Sundays, our hostel children get training in Music by Teacher from the Music College.

KARTHIKAI DEEPAM

Our Siragu Family celebrates the Karthika Deepam in an

unique way. They wish and pray for the integrity, peace, Love and Kindness for the whole world . They make the letters with lighted lamps. The words appear beautiful and turns into golden rays under the silver star studded sky.

Teacher Training

To teach well, teachers are to be resourceful. Keeping this in mind, Teachers were given

Teacher Empowerment Training during Monday – Friday evenings one hour each. Teachers have extended their total cooperation for the betterment of their skills and for the benefit of students by the Resource persons of different organization

P. T. A Meetings

Parent Teacher meetings were conducted once in a month on regular basis to share the views of school and to know feedback of

improvement of their children, to the parents.

SIRAGU KARATE MASTER E. DILLI IN NEPAL

GOLD MEDAL FOR INDIA

National Sports council Nepal Goju- Ryu Karate –Do Association organized 3rd ASIAN Goju-Ryu Karate Championship— 2010.

More than 16 countries participated.

In 65 kg, senior category fighting, our Master got Gold medal for India.

Pacific Lutheran University :

A team of students from Pacific Lutheran University, U.S.A visited

with Professor Vidya Thirumurthy on Jan 5th around 8.30. The students and addressed in the prayer and had tree plantation around the

ground. They have very useful conversation with the higher class students about the Education system of India and USA.

Science Exhibition - Vel Tech:

Students of VI, VII & VIII visited the science exhibition conducted in Vel tech College.

There the students saw more than 200 experiments. All the experiments were based on the

science which was very helpful to our students. They gained lot of knowledge and Ideas from those experiments.

**Republic Day:**

REPUBLIC DAY CELEBRATION, started with prayer and Flag hoisting was done by our Chief Guest Mr. GODWIN BEWART (Head Faculty And Ad-

speech was given by him. Students of tural programme. Through Suyam Em-over of Push cart vehicles with fancy padhai Pookkal.

ministration TATA communication Ltd.) and a small Siragu performed many cul-powerment program hand items to 4 families of Nadai-

Hindi Exam:

Hindi Exam was conducted on January 9, 2011 in Immanuel Matriculation School. Parichaya Exam was conducted on that day totally 32 students appeared for the exam from our school. On February 12, 2011 44 students are going to write Prathmic, Madhyama and Rashtrabasha on that day itself.

Vandaloor Zoo:

Students had a enormous experience over to see the Vandaloor zoo. Students of 3rd and 4th totally 90 students were taken to the zoo. We reached there with the volunteers of SEED TO

TREE. The students started seeing the animals one by one the teachers and volunteers gave explanation. They saw different types of animals, birds. After seeing snake zone, we entered

into fish cabin. There students were made to write worksheet. This was very helpful to the students they gained knowledge about the different kinds of animals, birds.

Visit to Indomer Coastal Hydraulic (p) ltd:

A batch of 18 students and five adults went to a visit to Indomer coastal hydraulics (P) ltd, a leading oceanographic company in India promoted by team of

former scientists of different discipline of oceanography from National Institute of oceanography (CSIR) Goa. They have carried out more than 375 projects in different areas of oceanography.

First we were given brief description on the Echo sounder. There we were taken to a room where the water quality will be for nitrate, phosphate, ammonia and nitrite, chlorophyll etc. A documentary video on how they use the various instruments at sea was shown. They explain about GPS. Global positioning system. Like a road map the global positioning system. Show the exact location where the ship should go to land. Finally we thanked them for sparing their valuable time and explaining every thing in detail.

Poondi Forest Visit:

Students of VI, VII & VIII visited poondi forest Totally 32 students went to poondi forest.

There the students were shown through projector about the different types of plants and their uses, different animals, the various rivers connecting different places and different types of

mountains. There many competitions were conducted for the students like drawing, essay writing in both Tamil and English. Students saw different types of plants planted there. This visit was very useful for the students.

visited Rathinagiri Bâla Murugan Temple which was built around the 14th century. Over the passage of time an ordinary sand structure was converted into a stone shrine.

Greatness of the Shrine:

Ancient Hindu scriptures say that wherever there is a hill, Lord Murugan resides as the all-powerful Deity. Of these Tirupparamkundram, Tiruchendur, Tiruvavinankudi, Tiruveragam and Palamuthircholai are famous shrines, collectively called 'Kundruthoradal'. The holy shrine at Rathinagiri also features in this category.

Literary Evidence:

The 14th Century poet **Arunagirinathar** has sung about this temple as **Rathinakiri Vazh Murukane Ilaya Vaaramarar Perumaley**, which means 'Murugan, the God of Devas resides in Rathinagiri'.

Divine Blessings

The Omnipotent Power manifests His Blessings to mankind in three forms:

1. In the form of idol in the shrine.
2. In the form of the guru.
3. In the form of the devotee.

Of these three, Lord Bâlamurugan manifests himself at Rathinagiri in two forms. The first is in the form of the deity with his two consorts Valli and Teyvanai. The second is in the form of our Guru, **Swami Bâlamurugan**

•We Visited Sripuram – The Golden Temple was built in a short span of 7 years. It was inaugurated on August 24, 2007. The consecration ceremony was witnessed by thousands of devotees. Since then, the temple has attracted hundreds of thousands of devotees; often breaching the 1 lakh mark on special occasions. The temple has also changed the face of Thirumalaikodi village and the nearby town - Vellore. In the coming years, the temple envisages to create a positive influence on the society and ultimately bring about a change.

SCHOOL AND PLAY GROUND CLEANING IN KALYANAMANDHAI GOVERNMENT SCHOOL

Our team went to government School of Kalyanamandhi, where the school ground was unable to play and full of bushes. Our team cleaned all the bushes and unnecessary things and made the ground useful for the students of that school. And we cleaned school surroundings also.

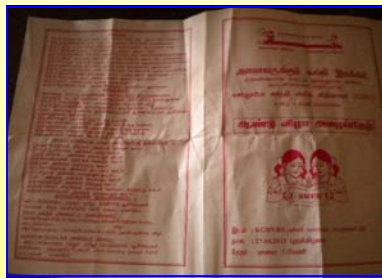

The Government of India has approved a new scheme called Kasturba Gandhi Balika Vidyalaya (KGBV) for setting up upto 750 residential schools with boarding facilities at elementary level for girls belonging predominantly to the SC, ST, OBC and minorities in difficult areas. The scheme will be coordinated with the existing schemes of Department of Elementary Education & Literacy viz. Sarva Shiksha

Abhiyan (SSA), National Programme for Education of Girls at Elementary Level (NPEGEL) and Mahila Samakhyas (MS). All Jawadhu hill Kasturba Gandhi Balika Vidyalayas (KGBV) conducted an awareness programme on Education. Our Students also took part in this programme and our students performed different cultural programmes.

We went to Puliur Government School, where there is no path to reach the playground and the playground was full of bushes.

our Siragu team made a path to reach the playground and clean all the bushes.

Our Siragu team went to different hills of Jawwadhu and find out uneducated girl children and school drop outs below 20yrs and made them to realize the important of education through counseling and reported to Kasturba Gandhi Balika Vidyalayas.

Our Siragu team went to deep forest to collect the medicinal plant with the help of knowledgeable person of medical and planted in our Siragu.

Our Siragu Summer camp team conducted a survey in Jawadhu hills to find out the educational and economical status of the tribes through the survey we can understand the life style and the history of them.

To Provide employment for the unemployment youth of Jawadhu tribes we contacted with LARSEN & TOUBRO LIMITED, company and convinced them to give training and job for the tribes.

Our Siragu team went to different hills of Jawadhu and found out more than 75 tribal youth. We submitted all the application to representative of L&T company.

Our Siragu team visited the Vainu Bappu Observatory (VBO) is the main observatory of the Indian Institute of Astrophysics (IIA), and is located in the picturesque neighbourhood of the village of Kavalur in the state of Tamil Nadu.

The East India Company having resolved to establish an observatory at Madras for promoting the knowledge of Astronomy, Geography and Navigation in India, Sir Charles Oakeley, then President of the Council had the building for the observatory completed by 1792. The Madras series of observations had commenced in 1787(1786)* through the efforts of a member of the Madras Government - William Petrie - who had in his possession two three-inch achromatic telescopes, two astronomical clocks with compound pendulums and an excellent transit instrument. This equipment formed the nucleus of instrumentation of the new observatory, which soon embarked on a series of observations of the stars, the moon, and eclipses of Jupiter's satellites, with the accurate determination of longitude, as its first concern.

Our Siragu team went to deep forest to collect the medicinal plant with the help of knowledgeable person of medical and planted in our Siragu.

Plastic can cause cancer, birth defects, genetic changes, chronic bronchitis, ulcers, skin diseases, deafness, vision failure, indigestion, and liver dysfunction. Endocrine disruption, linked to asthma, developmental and reproductive effects. Medical waste with PVC and phthalates is regularly incinerated causing public health effects from the release of dioxins and mercury, including cancer, birth defects, hormonal changes, declining sperm counts, infertility, endometriosis, and immune system impairment. So We conducted an awareness programme in Jamunamrathur and given advice to each shop to reduce the use of plastic and we cleaned all plastic from the town.

Our Siragu team visited Vellure fort, museum and Jalakandeswar Temple and Amruthi Zoo after a great bath in Jamunamarathur falls

It was very effective and successful trip for our students . They learnt the life style of the tribal in Jawadhu hills. Our team were able to counsel the dropout students in that area and admitted them in near by schools. Our team felt satisfied for cleaning two play grounds at different school and made them useful for playing for those tribal children. Our team guided the 75 unemployed youth of Jawadhu to get jobs in L&T in Chennai. In Jamunamarathur town our children cleaned the plastics from there and made the people aware of the hazards of plastic in the surroundings. Our team enjoyed each and every minute of this trip and learned many useful things.

Sports Day 2011

Siragu conducted sports day with the help of VELTECH college Engineering department, Avadi. Conducted Various sports and games in Siragu play ground for children as well as for Staff . Finally all our kids got medals, certificate and awards those involved

Acupuncture training for Staff

With the help of trained doctor all of our staff got deep knowledge in Acupuncture .

Acupuncture is an alternative medicine that treats patients by insertion and manipulation of needles in the body. Its proponents variously claim that it relieves pain, treats infertility, treats disease, prevents disease, promotes general health, or can be used for therapeutic purposes. Acupuncture being effective beyond the placebo effect has never been proven, except some pain relieving applications, though the latter results are somewhat inconsistent as well. Acupuncture typically incorporates traditional Chinese medicine as an integral part of its practice and theory

Soul Realization Programme:

On Feb 26th and 27th 24 staffs attended the soul realization class for two days. The class was taken by Atma Madhimaran Sir, about soul, proper meditation, karma and physical exercise. We also were made to do the exercise and meditation. He also explained about Grand Master and the 5 virtues . And also explained about Divine intelligence, Divine love and divine power. At the end of the class certificates and CD's about the physical exercise and meditation were given which will be helpful in doing proper meditation.

Mattu Pongal is a festival celebrated on the day following the Pongal festival (festival of first harvests) or the Makar Sankranti festival. Though the name of the festival is specific to Tamil Nadu, in India . Our Siragu Family celebrated Mattu Pongal in our Karampakkam Land

LALAJI OMEGA STUDENTS IN SIRAGU

The day was bright and sunny , Students and teachers from Lalaji Memorial Omega International School visited our Siragu School

campus .

The Students had an interaction Section with our children about

the dif-

ferences and Similarities of educational system of both School. The students of Lalaji Omega were

shown our CD Wings of Evolution to

know about us.

Our Stu-

dents presented some Cultural and

activities.

Our C.V Nitheesh Kumar selected to International Level Exam going to Held on 28/10/2011

YOGA CLASS

We are giving training in Yoga to Siragu home Children. More

than 100 students are learning Yoga. They have performed in different stages and got awards and cer-

tificates . Yoga can help in insomnia, as regular yoga practice leads to better and deeper sleep. Yoga can help fight fatigue and maintain your energy throughout the day. Yoga is an effective treatment for a variety of autoimmune disease because it can reduce

the symptoms these diseases often cause,

such as stiffness, malaise, fatigue and weakness.

WELCOME & GREETING CARDS BY KIDS

Children are our Creative Guru. In Siragu, we ask the children to draw pictures with more imagination. It is also a class room activity and all the children participate in this. We proved

the strength of true love expressed with our sincere actions.

"Whenever a guest visits to the school, they prepare a gift on their own, by picking up the leaves of trees and plants and make use of scrap materials

available in the school".

The 10th National Olympiad organized in September 2010 in our School. The exam was conducted for the subjects English, Maths, Science and Computer. This exam was conducted for students of II std to X std

In our school totally 110 students have attended the exams. In this, students of II std have taken All India level ranks.

In International Cyber Olympiad our 5 students , In International Mathematics Olympiad , In International Science Olympiad 6 students and In International English Olympiad 18 students came with in 500 International rank.
