Hi Shishira,  
Here are the building repair estimates for ISW Kidderpore and Barasat projects. They match the amount  
ISW quoted in their budget.  
Thanks

Dear All,

To recap our progress on ISW to-date:

1. **On 6/14**, we had a call to vote on ISW's Khidderpore and Barasat projects. The team voted (9 people out of 9: Shishira, Megha, Sailaja, Sudeep, Sriparna, Payal, Jen, Hemant, Neha) to fully approve both projects. Sriparna mentioned that based on their funds utilization report, they had funds leftover from last year and that she would send a recommendation on how to adjust this year's funds disbursement.
2. **On 7/12**, I presented Sriparna's [recommendation](#) (slide 10, 11, 12). The team agreed but since the funds were not fully used in 2016, we wanted to see the exact estimate for construction for this year to ensure that adequate funds were being requested. During the call, we decided that once this data would be presented, we would honor the vote taken on 6/14. Please see Sriparna's follow-up email from ISW to that end.

**Since the estimates match the 2017 ask, our decision as a chapter to fund ISW in 2017 as shown below.** Please let me know if you have any objections or questions.

Thank you.

### For ISW Barasat:

- Asha funds that they DIDN'T use in 2016 = INR 99,690
- Extra funds they need in 2017 for rickshaw vans from Asha = INR 24,000
- **Total excess funds from 2016 = INR 99,690 - INR 24,000 = INR 75,690**
- Funds requested initially in 2017 = INR 7,62,800
- **Funds to be disbursed in 2017 = INR 7,62,800 - INR 75,690 = INR 6,87,110**

### For ISW Khidderpore:

- Asha funds they DIDN't use in 2016 = INR 42,809
- Funds requested initially in 2017 = INR 5,90,600
- **Funds to be disbursed in 2017 = INR 5,90,600 - INR 42,809 = INR 5,47,791**
