Part II: Details about your educational project/s

1. List the school/s run by your group, and their locations. If you are requesting funds for only a few of several schools, please specify which one/s.

Institute runs a Creche unit of 60 girls and a primary school of 330 girls. We want funds for both the units.

Address ¼ Rajendranagar slum,  
Kolhapur 415 004.  
(Maharashtra State)  
INDIA.

2. Who owns the school legally? Is it the organization or trustees or an individual. Please provide details.

The school is run by the organization and the Board of Trustees of the organization take decisions on the administrative matters.

3. Location of school/s  Urban  Rural  Other Slum,

4. Specify the type of education provided (e.g. basic literacy, vocational training etc.).

Institute runs a school from Balwadi to class 7, formerly Vocational Training was taken in different slums but for want of funds we are unable to continue them.

5. Please tell us about your teaching techniques (conventional vs. alternative).

We make aware the children to scientific Truth by conducting science experiments right from Crèche to class 7, we orient teachers for language development of the child. We observe the principal of self fulfilling prophecy based on Basile Bernstine principal.

6. What is the literacy rate in your local community? Please give a breakdown between boys and girls if possible.

When we started the community was totally illiterate. Now almost all the children attend the schools. Parents are aware of importance of education.

7. Describe the socio-economic background of the children and their parents (e.g. education, occupational). If any of your students are employed, please tell us about that as well.

Below poverty line. All the children are from low socio-economic backgrounds.

There are 3 girls are studying in 12th standard. We are planning to give them professional training. Our children are self employed as plumber, Home nurses and other trades.

8. What is the admission criteria for the students to join your school? Have you ever turned away students? If so, why? How many children attend your school currently? How many teachers do you have? How many full time students? How many part time teachers? How much is the fees? Is there an admission one time fee? Do you have parent teacher meetings (parent involvement)?

The criteria required is 4 years completed to join the school.

No special criteria of Income, Caste etc.

Not a single student is turned away.

There are 330 girls in the primary school and 60 girl children in the Balwadi. We have 10 teachers working full time and there is no part time teacher. And the children are also full time attendance. No fees are charged from the children. And we have regular parent-teacher meeting.

9. In addition to education, does your group provide any other services to the children in your schools (e.g. food, health care, clothing, etc.)?

Nutritious Diet is given Daily for Balwadi children, and Medicines are provided to children of Balwadi and Primary school. Doctor visit for once in the week is also given to Balwadi. Till last year the school uniforms were given to the children but for non-availability of funds this year stopped.

10. How do you perceive that education will improve the lives of the children in your village?

Previously there was child marriage but we have totally stopped the child marriage and during the last 7 years not a single child marriage has happened in the slum. The people are aware of family planning and child is literate. Some women are self-sufficient. They making candles and doing tailoring.
