On December 4<sup>th</sup> Dr R Ramachandran formally inaugurated the first ever Apna Skool buiding got constructed at the Apna Ghar hostel premises in Tatiyaganj. This was made possible as a consequence of a donation by Vijaya didi in memory of her father.

The interior walls of the Skool could all be used as blackboard and the Children displayed their talents and filled it all up with artwork, poems and maths problems, they were familiar with.

This Centre will cater to the needs of all nearby Apna Skool Centres (such as A-One, Vishnu, Nahar kothi etc.) for the higher primary classes (classes 3, 4, and 5), while the junior classes (1 and 2) alone will be handled at the various Apna Skool centres, thus optimising our human resourses.
