Mr. Gregory de Souza
Coordinator, Asha Zurich

Dear Gregory

May PALAS always spell hope whatever the notes! (ref. Concert brochure recvd. & read, thanks).

This letter brings an amateur map of the area PALAS operates in.

I have sent you & Chidu emails with my 5-month report. I would willingly clarify queries that may arise from the report.

Today I received an email about ASHA visitors coming in September. Welcome.

That's it for now.

Sincerely,

Fr. Godfrey D'Souza
