Subject: delay in remitting

The Manager
SBI, (Foreign Exchange)
Jalgaon

Dear Sir

I have received notice of a remittance sent by ASHA, Zurich, an NRI charitable agency in Switzerland. The TT for CHF 4150.00 had an execution date of July 18, 2006. The money has been transferred to State Bank of India, Jalgaon MIDC Branch, in favour of the Shirpur Vishwa Mandal Sevashram, Shirpur Branch SBI A/c No.01100005195.

Even after repeated enquiries in SBI Shirpur Branch I have not received any information about the remittance.

This delay has also taken place in the past with regard to our foreign remittances. It gives SBI bad publicity.

Please look into the matter and speedily credit our account with the money sent to us.

Yours sincerely

Fr. Godfrey D" Lima
