

# **Report of field visit to Prabananda Boys Hostel at Sahapur, Malda, West Bengal, India run by the Bharat Seba Shram Sangha**

**Aided By: ASHA for Education,USA**

Date of visit: 26<sup>th</sup> & 27<sup>th</sup> September 2016

**Purpose of visit:** To look into the proper functioning of the hostel

## **Observation:**

- **Environment:** The entire atmosphere is conducive to education and the ambience is calm and quite suitable to run educational activity.
- **Lodging facility:** Very good having a better amenity suitable for students only like an ideal “Ashram”. There is good accommodation provided bed for each inmate, good quality drinking water, clean sanitary facility and electricity. A good dining room with sitting arrangement on floor.
- **Fooding facility:** Keeping an eye to food habit of the inmates the hostel administration become liberal to provide both veg. and non-veg. food; however non-veg. is provided thrice in a week in a separate accommodation even inside the Ashram as the main kitchen is meant for veg. food only and good quality vegetable meal is supplied in the remaining days. Thinking over nutrition for the children the authority is rearing three jersey cows so the inmates regularly drink milk. Besides the authority now raise a kitchen garden where organic vegetable is being cultivated for supplying poison free food components.
- **Education:** Efforts of providing quality education by the authority is laudable. The elementary education/Primary education between class I and IV is conducted in the Primary section of the Ashram in its own premises while for middle and upper level/secondary education the inmates are to go to the nearby schools within 1.5 K.M. radius. Special coaching/tuition are being provided at the hostel. Swamiji and Hostel-in-charge keep a strong vigil for looking the students’ perseverance on education. They also keep contact with the teachers to learn progress in education. The students receive books and other educational materials right in time.
- **Game & Sports:** The hostel authority is conscious about the physical development of the inmates. As such there remain a play ground attached to the hostel compound and the boys are playing there regularly. Annual sports and games competition are being held in each year to encourage the inmates. Besides sports and games; cultural activities are also organized for mental and spiritual development of the children and for such events the inmates participate spontaneously.
- **Beneficiary:** Total 53 (2 OBC, 1 Gen and the rest are ST & SC, all are belong to BPL families ). Class wise break up is given below:

Class-I: 7, Class-II: 9, Class-III: 3, Class-IV: 2 , Class-V: 2, Class-VI:8, Class-VII: 11, Class-VIII:2 , Class-IX: 4, Class-X: 4, Class-XI-1 [List attached]

- **Other facilities:** Apart from school dress all inmates receive clothing even winter clothing too time to time that to enjoy local festival also. The authority conduct regular health check up and look after during ailment and provide medicine.
- **Success story:** I visited the house of a student accompanied by Swamiji .The name of the student is Pradip Marandi S/O Prabin Marandi of village Bhadreswarpur, P.O. Jagadola in the district of Malda. It is nearly 50 k.m. away from the hostel. Pradip has a sibling brother. His father is a migrant labour working in Bangalore, his mother is a landless agriculture labour. Pradip is now reading in a Higher Secondary school after passing Madhyamik Examination in the year 2016. Parents are illiterate and belong to ST community. He is the first person to pass Madhyamik Examination in his hamlet. I found his residence is clean which is different from the neighbours' residents. In course of conversession with parents we came to know that Pradip pressed them to build a latrine as he does not like to come to his home without latrine. They submit beneficiary contribution as required for Pacnchayat. His brother is now admitted to the local school. I am overwhelmed at their hospitality. I found a tangible change of status and life style after Pradip came in contact with the Ashram life.

#### **Suggestion:**

1. A computer education program may be introduced
2. An educational as well as exposer visit to place of educational places
3. National Social Service may be introduced
4. Expansion service to include more poor SC or ST inmates with the inspiration of Pradip Marandi.

**Recommendation :** It is evident after my visit that the hostel authority is running this hostel with more competence. As the Swamiji and his associates are a group of dedicated persons so I observe in consultation with the stake holders like local public, Panchayat Pradhan, inmates etc. that all are satisfied to the service provided by them is satisfactory. So the fund as granted is being utilized properly, hence this hostel may be continued for the development of the underprivileged children of the locality.
