***RESPECTED MADAM,***

Greetings from one and all the students, staff and all other inmates of Jeevan Gnanodhaya and from my own self.

Please accept our profound gratitude for being a pillar of strength and support to Jeevan Gnanodhaya. May god shower his choicest blessings and boons on your kind self.

You were so kind to have positively responded to our appeal for financial help last year(2009-2010) and you instantly came forward to pay our Teaching and Non-Teaching Staff's salary, a sum of 14,665 US dollars and you donated the entire amount thereby reducing our financial burden significantly.

Thanks to your kind gesture we were able to pay our Teachers every month without any hindrance and thus enabled the teachers to work with great vigour and enthusiasm.

I humbly request your good self to help us this year also towards paying salary to our teaching and non-teaching staff and so enable us to serve the cause of the Hearing Impaired.

I am forwarding all relevant details of our Income and Expenditure and also our Project-Proposal for this academic year.

Looking forward to your positive response.

Thanking your kind self

Yours sincerely,

DEVARAJAN

JEEVAN GNANODAYA SCHOOL

# ***Project-Proposal2010-2011***

## **Submitted by JEEVAN GNAODAYA SCHOOL**

### ***Respected ASHA Friends,***

Greetings from one and all of Jeevan Gnanodaya. With God's Grace and your continued support and encouragement, more than hundred children of our School, with hearing impairment, are faring well in their studies and vocational Training. This month, on the 23<sup>rd</sup> the Public Exams for X and also I.T.C are being held and from our School 9 students are writing the X Std Public Examinations, and 10 students are going to write the I.T.I Exams. And, all the students are preparing for their exams in right earnest.

Further, School Exams for the students of I std to IX Std are going to be held in coming April.

We are making all efforts to secure employment opportunities for our I.T.I students and for this purpose we have approached the **India Piston Company** and sought their help and support in this. They have been kind enough in assuring placement for at least five for our students. For the remaining five I.T.I students we are trying placement in some other reputed companies and we have already approached two such companies and we do hope that they would help our cause in this.

Further, the students of the school from the I std to the IX std are going to sit for examinations in the month of April.

The X Std public examination are going to start in March and as soon as their exams get over we are going to commence the I.T.I Classes from the 14<sup>th</sup> of April onwards. The classes would extend till the 20<sup>th</sup> of May. After that we plan to give the students a brief vacation of ten days.

### **TEACHERS:**

In accordance to the G.O and also to the general norms whereby the Student- Teacher ratio should be 7:1, it is essential for us to increase the number of teachers this year. Moreover, our teachers as well as well-wishers feel that the students of VIII, IX and X std need extra attention and special coaching and hence we have to appoint some more Specially Trained Graduate Teachers this year which would be in the interest of the children.

### **COMPUTER EDUCATION:**

From June onwards we propose to impart **Computer-Oriented Education** to our School students. Both **Speech Therapy** and **Sign language** would be taught to our students with the help of computer. The preparatory works in this direction are being undertaken in all seriousness for the past 10 days in Kancheepuram. An appropriate software which would enable our students to learn through computers is getting ready.

### **MARRIAGE HALL:**

For safeguarding the interests of these 100+children with Hearing Impairment whose very life depend on us, with the wish to stand on our own legs and run our School we are in the process of constructing a Marriage Hall which would fetch us some regular income. This project is causing great hardships to us, but, focused on the goal mentioned above we are going ahead, against all odds. The construction is 75% completed. The remaining 25% works are Flooring, Electricity, Kitchen Utensils, White-washing, building the compound wall, providing over-tank to the building and the like. We plan to open the Marriage Hall by before the close of July and have the Inaugural Ceremony on the 20<sup>th</sup> of August. We feel happy to share this joyous news with you who have always been a pillar of strength and support to us.

For constructing this Marriage Hall we have got a bank-loan of 20 lakhs and 10 lakhs through other sources and it is with the help of these loans we are going ahead with the Project but we face many difficulties in the course of realizing this project of ours. We hope to finish the constructions work as scheduled on the 20<sup>th</sup> of August so that we could get some income from it from November onwards. We sincerely hope to repay the bank loan before the close of 2012.

After that, we hope to meet the daily expenses and other expenses, both recurrent and non-recurrent, with the help of income from this Marriage Hall and through local donations.

As things stand today, we are struggling to make both ends meet but with grit and determination we keep marching ahead. We have given below a detailed draft of our Income and Expenditure details for the year 2009-2010 and also the details of salaries to be paid to our Specially Trained Teachers for the Academic year 2010-2011.

We once again thank ASHA UIUC Friends for your concern and support and we pray to god you're your welfare and prosperity and also to all your near and dear ones.

We look forward to your continued support this year also for the effective functioning of our School and for serving the cause of the Hearing Impaired children.

Thanking You,

Yours sincerely,

**DEVARAJAN**
