### Dear Asha Members:

With your continuous support, caring concern and funding we are be able to offer many critically needed programs for holistic development of the first generation of tribal students.

Kaivalya Group was actively working in the tribal belt since 1999 and the Kaivalya Trust was established in 2003. The sporadically and distantly located High Schools in Valsad and The Dang district lead in the number of dropouts. Hostel facilities are extremely scarce, especially for Girl students who wishes to attend high school. Based on this observation, the trust felt the need to start Kedi Residential School to provide relevant formal high school education along with vocational training at a very nominal fees of Rs.2000.00 a year.

Our experience of last few years has inspired us to add Std 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup>. In last few years, because of extremely poor quality of education in the primary schools, we had to invest more efforts, time and energy to help students prepare for the Board Exams in a very short time of only One Year. Most of the students found it very difficult to cope up with such heavy load. Starting with Std 6<sup>th</sup> we will have more time with students to improve their understanding of the academics and learning ability. Hence they will be better prepared for the board exams.

**The Kedi Residential School was established in June 2006.** At present we have:

Std 6 <sup>th</sup> .....	14 Students
Std 7 <sup>th</sup> .....	11 Students
Std 8 <sup>th</sup> .....	12 Students
Std 9 <sup>th</sup> .....	16 Students
Std 10 <sup>th</sup> .....	13 Students
Std 11 <sup>th</sup> .....	08 Students
Std 12 <sup>th</sup> .....	11 Students
<b>Total- 2019-20 .....</b>	<b>85 Students</b>

Interact – Impact - Progress

**The focus:** The core philosophy of Kedi Residential School is to provide relevant formal education along with vocational training system which can prepare them to work and live in their own villages. Thus, to use literacy as a vehicle of social mobility, train them for income generation and for increasing market value for employment.

The ability to take independent decision and the desire to take personal responsibility are the major objectives of the education.

## Teaching Techniques, Type of Education Provided:

The school imparts, high school level education, from Std 6th through Std 12th and also provides Vocational training to the students. Instead of Conventional Chalk and Talk method, the school faculties are using alternative inter-active teaching methods as well as hands on educational tools and kits. The school follow Gujarat State School Board curriculum. **All the students appear for the final Board Examinations.**

## An Appeal

This school year we require Rs. 15, 00,000.00 to meet the running expense for 85 students. We are expecting to generate Rs. 14, 00,000.00 from various donors.

We need your warm and generous financial support for the running expenses. The donations to “Kaivalya Trust” are Tax-exempted under the article 80G (5) of the Income Tax Act 1961.

Thank you very much for your consideration.

Sincerely,

Aparna Kadikar, Managing Trustee
