A Very Happy, Prosperous and Joyous Diwali to All

Anandmurti Gurumaa from Gannaur Ashram, Sonipat visited KHUSHBOO on 30th July and Blessed all the children & people associated with KHUSHBOO. The video can be found at - http://www.youtube.com/watch?v=0eUoY_-vX58 Gurumaa's message and blessing are noted below.

GURUMAA'S MESSAGE

When a special child takes birth into a family, sometimes parents are shocked and think that it is a punishment for their sins committed in their previous births. If you can visualize God in an inanimate idol in temples and even in your own homes, why can't you see God in your own special child - you must think that God has come into your home in this form to give you an opportunity to serve Him closely and to accept your unconditional boundless love !

When I saw how much hard work, perseverance and diligence it takes to make a special child even move a finger, sit up straight or lift a hand, I realized exactly how much we take our body for granted – how grateful we should be to have a healthy body and mind.

The special children, who have reached KHUSHBOO, are so lucky .I am thinking of all the others who are still away and have no access to such caring help!

My Best Wishes & Blessings to all children, staff &, members who are doing such dedicated service to humanity.
