Functional Living Skills and Best Practices Workshop were sponsored by CII on the 11th of December 2008. This workshop used interactive methodology using adult learning principles to promote contemporary and conducive learning strategies for individuals with different levels of disabilities and help them become productive and self-supporting members of society. Special Educators, therapists, parents, teacher trainees, schools and NGOs benefited from this workshop from the Gurgaon and Delhi based special schools.

ROCK'N EVENT

Khushboo celebrated their 13th Founders' Day on Sunday 14th December, a bright & sunny day much to the delight of all present. Like always the traditional inaugural lamp was lit by eminent guests and representatives of the community at large, donors, parents and Khushboo members. This annual event was in honor of distinguished representatives from the Donor Community. The children presented a delightful programme for one hour and kept the audience enthralled. They invoked Goddess Saraswati with a melodious note of Saraswati Vandana and continued the programme with recitation of poems and a group dance. Last but not the least they enacted a comedy play called 'Bakri aur Pandit' which left the audience in splits! The grand finale when all the Khushboo children came on stage with the 'Tare Zameen Par' title track playing in the background got a standing ovation. A brilliant show indeed put together by the combined efforts of all the children, staff, volunteers, parents and helpers!

Three Cheers to everyone for putting up this Rock n Show!!!!
