Hi All,

The next round of funding for the Hariksha project is due. I had setup a meeting last week to discuss this, but due to limited attendance, I am doing this over the email.

I had donated \$2000 last year to Asha Irvine for Hariksha project. This money was released to Hariksha in the last round of funds that Asha sent them. The GE corporate match for this \$2000 was only recently processed since Asha central did not confirm the receipt of funds on time. In addition, I had donated \$5000 to Asha Irvine last month for this project.

I propose releasing \$7000 to Hariksha. Please let me know if this is OK with you. I would really appreciate your prompt response.

Also, going forward, Hariksha will be applying for funding from the SFO chapter. Uma is in that email chain. Please let me know if you would like to be CC'd on that email chain.

Thank you very much,
Rama
