

**Swami Vivekananda Vidhyalaya**  
**Lodhar, Mandhana, Kanpur**  
(Run by Jagriti Bal Vikas Samiti)

**Proposal for Nutrition Distribution Programme**

COVID 19 has huge Social and Economic impact on our society. Governments are taking precaution measurement to maintain social distance and one of the key decisions is to close all the schools and introduction of online classes. Our students are also not coming into the school and our nutrition programme is stopped.

We need your support to run this programme again.

**Nutrition Distribution Centre-** We are planning to make some distribution centres for this programme.

- 1- Swami Vivekananda Vidhyalaya, Lodhar, Mandhana, Kanpur will be major centre.
- 2- As mentioned, students are not allowed to come to school in huge number, hence we are planning to create 4 sub centres as below to cover around 10 KM area.
  - a. Kursauli
  - b. Mohanpur
  - c. Para Pratappur
  - d. Bodepurwa

The nutrition distribution programme will run safe and secure for students with the help of one major centre and four sub centre. We will follow all the best practices suggested by Government and medical institutes.

**Students Data**

Class	Number of Students
1A	30
