2. The group established (Registered) in 1997 under The Societies Registration Act.

3. FCRA Details: FCRA Registration No. 136530060, dated: 29 November 2001, through letter No. II/21022/73(146)/2001-FCRA.III

On 17.03.2023 we received the renewed certificate valid for a period of five years with effect from 01.04.2023.

4. About our teaching techniques.

We use innovative teaching techniques to impart effective education. It is hands-on and interactive where the emphasis is on learning by doing. For instance, children conduct science experiments, make maps of their school and village, visit nearby farms and fields to collect samples of soil, seeds, flowers, roots, insects etc. We hold science workshops (on human body, digestive system, skeleton system) where children make models with the help of junk strewn around in the surrounding like broken bottles, electric bulbs, pvc pipes, wires etc. and learn various concepts. As part of our annual Social Science event children make very interesting charts depicting various aspects of India and the Indian culture, different states of India and their salient features. We have thirteen computers with internet connectivity that are used by children. Children are using apps for many topics on tablets. Our prime focus is on the all-round development of the students. Apart from regular studies, they are encouraged to make wall magazine, write stories and poetry. There is a regular drawing class in our school for all children. Occasionally, cultural events are organized in which children present skits, songs, etc. Besides, there is no corporal punishment in the school and the teaching philosophy is one of compassion for the students.

5. **In addition to education our group provides other services also to the children in our schools (e.g. food, health care, clothing, etc.)**

- Nutrition every other day (chana, puffed rice, fruits, groundnut, jaggery etc.).
- A rich library with approximately 12,000 books.
- A well-maintained science laboratory.
- A well-equipped computer laboratory with internet connectivity.
- Health camps, immunization program, visits by health workers and doctors.
- Sweaters, books, stationery to many needy children.
- Education tours (Every year senior children are taken to some historical places like Mathura & Agra on a two-day trip and junior classes visit some local places like Bithoor, JK Temple & Zoo Kanpur etc.).
- **Science Club activities** - The annual Science fair is one of the main activities of our school. Students of around 15 nearby schools visit on this event and learn to prepare the working models of science. Every year around 700 to 800 people from neighbouring areas attended it.
